Hi Stacey-

I normally have a commitment on Tuesday afternoons around 4 (though they know I may not make it this Tuesday), so would this work for you: I can plan on being there around 1 I am on Tuesday, and if you find out that I won't be needed before I arrive, then give me a call on my cell ([REDACTED]) and I can turn around and go back to work. Hopefully you would be able to get to me before the lunch break so I could be back here by 4 (if you couldn't get to me before lunch I would understand). And it would be great if you could give me a call on my cell on Monday if it looks like it is not going to go. If it looks like it won't be a go, I'll still be prepared (on call) for Tuesday in case something changes and you need me.

Or, if it is just easier for you, you could have me on call from the get go. Just let me know what would be better for you so I can keep people on my end informed. Thanks.

Hi Sonja,

Sorry, I've been stuck in court all day – not sure if you are still in the lab. As far as I know the case is still going forward on Tuesday. Do you want to be on call so you don't have to wait around here all day? If necessary, I can call you last so you can have time to get here. If you can leave me a phone number, I can contact you on Monday if it looks like it's not going to go.

Thanks,
Stacey

Hi Stacey-

It appears that my Springfield District case scheduled for 5/10/11 (the same day as your [REDACTED] trial) is going to be moved, so I should be available for you. I am curious if anything has changed in the case? Any information you can provide would be great as I will not be in the lab on Monday (I'll be in Pittsfield Superior Court) and want to make sure I am prepared and have everything with me if the case is going forward. Thank you.
